

Aluminum Premium Real Estate Frame

The **Aluminum Premium Real Estate Post** a sleek, professional look with its enclosed, powder-coated design and lightweight aluminum construction. Built for quick, stake-only installation, it requires just a hammer and screwdriver—no digging or special tools needed.

- Available in 18 size configurations to suit a wide range of sign applications.
- Built from lightweight, durable aluminum extrusions with rigid slotted rails.
- Installs using only stakes—no digging required; just a hammer and screwdriver.
- Ships in two vertical posts and horizontal rail sets for quick, secure assembly.
- Powder-coated in Black and White, with Grey, Blue, and Red available 30 days after launch.
- Same- or next-day shipping available across retail and wholesale platforms.

Visible Area

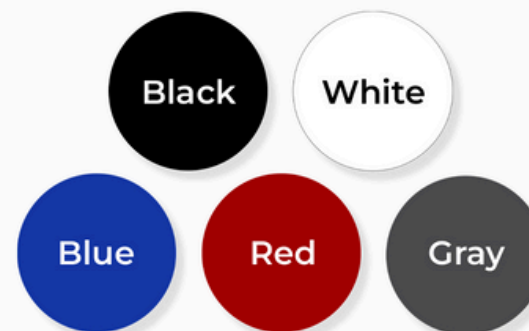

The panel size and the visual space are not the same. Calculate your visual space by subtracting:

■ 0.5" for each post. ■ 0.25" for each post.

Visible Area in Rider is the same as the Main Panel
